“ Virginia was one of the most interesting people I've ever had the honor to know. She was kind of heart, generous in spirit, and had a great sense of humor. This was a woman who lived her faith. What a wonderful reward she must be receiving in Heaven, being reunited with loved ones who have already passed. I truly look forward to meeting her again in our heavenly kingdom.##imported-begin##Connie Lampkins##imported-end##

“ Pat, so sorry to read about your mother's passing. I know it has been difficult considering how close you and your mom were. My regret is I did not read this until this morning when I was looking up the death of one of the members of the church I am working at. I pray the Lord will comfort you in the way only He can. “ Ms. Virginia was always such a sweet and caring lady, who loved the Lord so very much. She had been a dear client and friend for several years, at BB&T. And she made the best banana bread I ever tasted!! : Amidst all her trials and suffering in recent years, she was always steadfast in her faith, and always expressed her deepest concern for me and my family. No matter what she was going thru, she always looked out for others. She will be greatly missed!! My thoughts and prayers go out to all of you!!###imported-begin##Shelby Gregory##imported-end##

“ Patricia and Bobby, sorry to hear about your mother,s passing. I recall seeing her walking in on us as kids, at Shell Rd. She would come in and we would hide. Knowing we had done something wrong. I will never forget her for helping me get a fruit tree for my wedding. It was beautiful. Most of all I will never forget her kindness and love. She was always smiling. She always welcomed many people in her home. Virginia did alot of good deeds for others and the church will always remember for all the wedding receptions she catered. May God bless you and comfort you during this time.###imported-begin##carol lewis and family##imported-end##

“ Ms. Virginia - you will be truly missed by all who were privileged enough to know you during your wonderful and full life. You are the picture of a true southern lady! I will never forget you providing us training back in the days of PPC on the basics of how to match your hose with your shoes and outfit, how ivory soap and aloe were the only beauty treatment we needed, and how to present ourselves as professional ladies. Your wonderful home baked goodies never failed to please and had us all clamoring for more! You are one of the sweetest, kindest, most genuine people that I have ever met, and I will cherish your memory!

Rest in Peace!##imported-begin##Debbie Creef##imported-end##

“ Virginia Cuthriell was a dear family friend to my parents and I as we were growing up. Her husband, Mr. Cuthriell, would always come to the aid of myself and Bobby whenever we lost the car keys at Sandbridge Beach.

I considered her to be my second Mom because she always looked out for me and I know that she loved me unconditionally.##imported-begin##Steve Kersnick##imported-end##

“ I only got to know Virginia this past year but even in that short time I grew to love and admire her. She was a courageous woman that loved the Lord with all her heart and always looked for ways to serve Him. Even in the midst of her battle with cancer she found ways to bring encouragement me. She will be missed very much. 2 Timothy 4:7-8##imported-begin##Genelda Sulouff##imported-end##
