“ Warren and I were friends through high school up to and including his marriage to Jean and his first born Andy. We started out at odds when he and his little "gang" wanted to make trouble with new neighborhood folks (myself and my two brothers). Didn't work out since we became fast friends for years. He always had a gift for the funny side of life and it was contagious. My heart is with Jean and family and hope they are doing well. He will be missed. Allen Bryant

“ I met Warren at the flying field and it was never the same after that. He always was smiling and making jokes and sharing life stories. I'm thankful for the times we spent together. He will truly be missed!!!
