“ I worked for "Mac" at NNSY when I first went into Test Engineering. That was when it was mostly men, but Mac didn't treat me any different than the guys. I learned a great deal about testing from him and I will be forever grateful. I lost contact with him after he retired, but he has always been fondly remembered. My heart goes out to you, Nancy and my thoughts and prayers are with all the family.

“ Our thoughts and prayers are with the family. I have heard wonderful things of this great man through his daughter. You could feel the love when she spoke of him. May his soul rest in peace as he entered into the gates of heaven being greeted by those he has loved and missed. One day we will all be reunited in the Kingdom of God to rejoice and be whole. No pain, no sorrow only joy and pure love. God bless. Jim and Sherrie Surkovich
