“ *Nell, Kent, Rick, Tom and families ...*

Wes and I can't be there but please know we are thinking of you and praying that God will shield you with peace and comfort in your loss. What a blessing it is to have family that is steeped in the Christian faith. The same faith that Uncle Willard represented to all that knew him. He will be missed greatly, but we know as believers that we will all be reunited one day. May God bless and care for you! Love You.##imported-begin##Tim & Wes Carringer##imported-end##

“ *My sincerest prayers are with the family and friends. I wish so bad that I could be there to pay respects to the man I heard so much about but spent very little time with. I have peace in knowing that the pain is gone and that without a doubt he is rejoicing in heaven. What wonderful things he must be seeing now!*

Mr. W.C. Carringer I want you to know I am going to do my best in taking care of your granddaughter, Christa; her love for you is so evident and great. I am so glad to have met you and hope to see you again someday.
