“ Dear Dot,

As tears roll down my face I have had the joy of seeing the love you have had for your husband and how you would just do anything to help and make his life a little more comfortable. As you two aged together you showed courage and most of all how to laugh it has been a joy to wait on you both. May god give you strenth in the days ahead much much respect and love Lupe Sweeden##imported-begin##Lupe Sweeden##imported-end##
