“ *Bootsie, Leigh Ann & Cristin, words can't express how sorry we are for your loss. Bill was a quiet, loving person and we were all blessed to have him as part of our extended family. His smile says everything about him. Daniel shared a memory of Bill when Leigh used to take care of him. He said he used to ask Bill to take out some kind of California Rasin toy figures you all had so he could play with them which he was glad to do. Those are the best kind of little memories we can share with each other to lift our spirits and help to heal our broken hearts. We love you all and are praying that the Lord will comfort you knowing that Bill is with Him and our departed loved ones and that one day we will all be united together again in His Heavenly Kingdom. Love Always, Aaron, Daniel, Patricia, and Patrick.*

“ Getting a friendly nod from Mr Dailey as I came into SNGH from the Raleigh garage was always a lovely way to start my workday. He remained supportive through these tough COVID times. A beautiful soul!

“ Bootsie, Leigh Ann & Cristin, my heart is still hurting from the loss of Sonny. I know how devastated you all are now, losing Bill just a couple of months later. My first thoughts when I think of Bill...”he is literally the nicest person I have ever known.” He always had a smile for everyone! I love y’all so much! As bad as it is now, eventually you will be okay because of the person Bill was and the wonderful memories you will have forever! Love, Margie
