“ There are no words that I can say that will make things easier. I can only tell you we are all there for you and your family. Robbie was so special and a real inspiration to all who had problems. He made them seem so managable. He told me he would fight till the end. He knew when it was his time God would come get him and heal him in a different way than we had hoped..He is healed now and looking down on all he loved and cherished... He always will be and you can feel it every day..... We are here for you.....I can tell you it will not be easy, but you are not alone...##imported-begin##Margaret Williamson##imported-end##

“ To the family my heart breaks for you even though it was known with his illness it still doesn't make it easy. Robbie was such a bratty little kid when we were growing up but he turned out to be a good husband and dad. Robbie will surely be missed, but now he's free of pain. Please let us know if there is anything we can do.

Sincerely,

Donna And Rick

“ Penny,

I am so sorry for your loss, and my deepest sympathies go out to you, Robert and Brittany. Robbie really was a great man. Growing up I remember that he could always make everyone laugh, even when we got our butts handed to us on the soccer field. “ Robbie was one of the most kindest, selfless, and loving people we have ever known. People who had the honor of knowing him have truly lost someone special. He was so very proud of his kids and the wonderful young adults they turned out to be and his love for his wife was spoken from his mouth every time we were around him. I'm so happy he is now pain free but the pain his passing leaves in the hearts of those who loved him will remain for a lifetime. RIP Robbie.....##imported-begin##Danny and Estelita Buie##imported-end##
