“ My memories of Yolanda go back to the 1990's through 2004 when I moved to Florida. My fondest memories are of her warmth and beautiful smile. She was a delight to be around. She was always friendly, not only to me and my family, but to everyone. I'll always have have a place in my heart for Yolanda's memories, and I know that she is in a far better place where everything is beautiful.
