“ *From your step-grandson;
My name was not mentioned in the obit.
But I know that you knew me and that I knew you, and for me, that was enough.
I used to love how you could make a recipe out of anything in the kitchen, and I always liked trying your food. I remember the walks we used to take together, and the Basket you made from my moms crochet yarn. I remember that you used to call me Grampa, even though I was 12 years old and I was almost 3 times your size. I do miss you for now, but I also know that one day, Ill see you again, and You can make some more food for me if you want.
Love,
Jake##imported-begin##Jake Leggett##imported-end##*
